Leak Detection & Flow Testing Equipment

SUPERIOR® Smoke Candles

Superior smoke candles & grenades come in varying sizes to fit each application. They can quickly generate anywhere from 8000 to 130,000 cubic feet of smoke. They are also available in sealpac containers for protection from hot & humid climates.

The #W3C is double-wicked with quick clips furnished for multiple units.

SUPERIOR® Liquid Smoke System

Superior liquid smoke is safe, inexpensive, and clean. It is available in 1, 5, or 55 gallon containers and works with competitive propeller driven systems. All systems can provide up to 4200 CFM or 4 inches static pressure.

Air/Smoke Blowers

Blowers from Superior Signal, Pelsue, RamFan, and Allegro are available in varying sizes for different applications.

Dye

Tracer Dye from Texas Aniline Dye Company is available in a variety of sizes and colors for your needs.
