Manhole Cover Removers

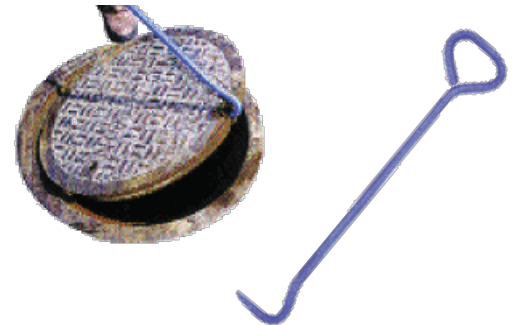

8lb. and 12lb. Manhole Cover Extractors

Two Tools in One!

- Combination sledge hammer and pick/pry bar
- Tapered saw tooth pick fits 5/8" or larger drain holes and most pick slots
- 8 or 12 lb. (4140) ASTM A148 cast steel head breaks frozen covers easily
- Serrated edge strengthens pick-end and eliminates possibility of tool becoming bottlenecked in the cover
- Fiberglass handle

24" and 36" Manhole Hooks

- Strong, lightweight
- Made of 5/8" high-grade tool steel
- Hook is painted with a durable epoxy hard coat paint

Safety T-Lift

- Unseats, lifts and sets down a manhole cover in one smooth motion with no set up
- Removes the manhole cover without the usual bending, straining or prying
- Cleans inside the ring for proper resealing
- Lifts manhole covers measuring 19-26", or up to 32" with an adjustable pin

The Best Equipment... All Under One Roof.
